

## April 2019 Newsletter

### President's corner

Hi everyone

It's a really busy time at the moment as we prepare for Congress – 4 days of bridge with over 200 people registered so far. Make sure you get your entry in as soon as you can if you still haven't done it. We especially encourage juniors and novices to enter – it's a great opportunity to experience playing in a big tournament. And on that note, if you aren't planning to play, we still need helpers in the kitchen and would really appreciate it if you could give us a couple of hours.

The other big news is that we have now purchased our new coffee machine which you will see in the foyer. You will remember that we have had a couple of fundraisers towards its purchase, and having done the appropriate research we have made sure we have it up and running before Congress. I am sure you will understand that we need to cover the cost of producing the coffee, and so we are charging \$2 a cup. This is a minimum charge and we will review it in three months to ensure it is appropriate. The machine is very easy to use and I hope the coffee drinkers among you will enjoy being able to have a 'real' cup of coffee.

That's all for April – keep on enjoying your bridge  
Margaret

### Get your entries in for Wellington Regional Congress

Easter is coming up fast and entries for the Wellington Congress on April 25-28 need to be in soon. If you don't intend to play, we need help in the kitchen during the days, just for a hour or two.

Also some home baking would be great appreciated by the players. There is a clipboard at the club to enter your name and preferred day/time.

We are also running a raffle which will be drawn on Sunday 28th at the conclusion of the events, any suitable items you can donate will be appreciated, they can be left in the lobby.

Items such as treats, that you wouldn't necessarily buy regularly - chocolates, fancy teas, nuts, crackers, relishes, wine, special delicacies - non perishables preferred as the raffle is not drawn for a couple of weeks yet.

### ***ALSO TO PUT IT YOUR DIARY ....***

#### **Wellington Region Tournaments**

Regional Mixed Pairs Open (Karori) 3A – Monday (Easter) April 22

## **Rotorua Kelly Pierce Teams 17<sup>th</sup> March.**

2<sup>nd</sup> Alan Grant & Anthony Ker with George Masters & Blair Fisher

## **More lessons starting in May**

A new block of lessons is starting on May 21. Send emails to any of your friends or contacts who you think might be interested.

## **The Stop Card – By Nigel Kearney**

It's important to understand why we have the stop card.

When people don't know what to bid, they naturally stop and think for a while. There's nothing wrong with this and we all do it. Unfortunately it gives your partner the unauthorised information that your hand is close to choosing some call other than the one actually chosen.

To help prevent this unauthorised information, after a jump bid we use the stop card to reserve 10 seconds of thinking time regardless of what the player holds. The idea is that you will think for 10 seconds then make a call and nobody will know whether that call was an obvious choice or a close decision.

In order for the stop card to achieve its purpose, some procedures need to be followed:

- The person making a jump bid puts out the stop card and removes it after 10 seconds. That means they decide the length of the pause, not the person who is considering their call.
- When your RHO puts the stop card out, don't call until the stop card is removed after 10 seconds. If you pass immediately with a weak hand, but wait for 10 seconds and pass with a better hand, this defeats the purpose of the stop card and in fact makes things worse.
- If you don't need to think for 10 seconds, you should do your best to pretend to think anyway. Imagine you have a better hand, if that helps.

If you need to ask about the jump bid, e.g. a Multi 2D, ask as soon as the bid is made then think for 10 seconds. Don't wait 10 seconds then ask and immediately pass. That suggests you're not interested in bidding at all.

Ask the director if you have any questions or need help with this.

## Christchurch

NZ Bridge has donated \$2000 to the Christchurch Bridge Club to be earmarked to help the people of Christchurch directly affected by the ghastly massacre that occurred on March 15.

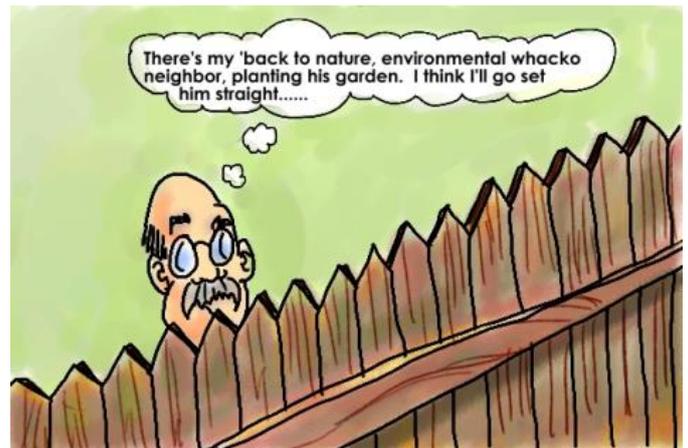

## New Zealand Bridge releases five-year youth plan

New Zealand Bridge has released the board's five-year Youth strategic plan plus the appointment of Jan France as the Youth Development Worker help implement the plan. The plan has six core parts:

- Growing Youth Bridge in schools and universities
- Supporting Youth Players
- Adult led Mentoring Programme
- Website development, communication and marketing
- Growing the game at the Club, Regional & National levels
- Supporting International Youth

## Respect our neighbours please

Our neighbours have requested that you think about them when you chat late in the evening after bridge. And smokers don't throw your butts in their direction. You should by now be aware that butts are an environmental hazard that shouldn't be thrown anywhere except in a proper bin, let alone in our neighbour's garden.

## Thanks for supporting the fund raiser

Thank you to the bridge members who attended the showing of Daffodils at the Roxy recently to support our internationals travelling overseas. Also the members who made a donation. The evening raised \$625 which has been divided up between the five representatives – Kate Davies, John Patterson, Alan Grant and Annette and Stephen Henry.

## Entertainment book club fundraiser

Buy your 2019/20 Entertainment book to help our club. Be in the draw for two flights to London if you buy before April 30.
